NOTES FOR MEMBERS' ATTENTION:

1. In compliance with General Circular Nos. 14/2020 dated April 08, 2020, 17/2020 dated April 13, 2020, 20/2020 dated May 05, 2020, 33/2020 dated September 28, 2020, 39/2020 dated December 31, 2020, 10/2021 dated June 23, 2021, 20/2021 dated December 08, 2021, 10/2022 dated December 28, 2022, 09/2023 dated September 25, 2023 and 09/2024 dated September 19, 2024 issued by the Ministry of Corporate Affairs ("MCA") and SEBI/HO/CFD/CFDPoD-2/P/CIR/2023/167 dated October 07, 2023 issued by Securities and Exchange Board of India (hereinafter collectively referred to as "Circulars"), the provisions of the Companies Act, 2013 ("the Act") and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), the Sixteen Annual General Meeting ("AGM") of the Company is being held through VC/OAVM without the physical presence of Members at a common venue. The deemed venue for the Six AGM will be the Registered Office of the Company – B-31, Bhel Ancillary Industrial Estate Ramachandrapuram, Medak, Hyderabad, Telangana, India, 502032.
2. A Statement pursuant to the provisions of Section 102 of the Companies Act, 2013 and additional information of the Directors seeking re-appointment as required under Regulation 36(3) of the Listing Regulations and Secretarial Standard on General Meetings issued by The Institute of Company Secretaries of India ("Secretarial Standard") are annexed.
3. In terms of the MCA Circulars since the physical attendance of Members has been dispensed with, there is no requirement of appointment of proxies. Accordingly, the facility of appointment of proxies by Members under Section 105 of the Act will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice. However, in pursuance of Section 113 of the Act, representatives of the Institutional/Corporate Members may be appointed for the purpose of voting through remote e-Voting, for participation in the AGM through VC/OAVM Facility and e-Voting during the AGM. The said Resolution/Authorization shall be sent to the Scrutinizer by email through its registered email address to info@csnayan.com with a copy marked to evoting@nsdl.co.in.
4. The attendance of the Members participating in the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013. In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM.
5. In line with the MCA Circulars and SEBI Circular, the notice of the AGM along with the Annual Report are being sent only by electronic mode to those Members whose e-mail addresses are registered with the Company/Depositories. Members may please note that this Notice and Annual Report will also be available on the Company's website www.innomet.net, website of the Stock Exchange i.e., National Stock Exchange of India Limited at www.nseindia.com and also on the website of the RTA at www.skylinerta.com.
6. Since the AGM is being held through VC/OAVM Facility, the route map of the venue of the Meeting is not annexed hereto.
7. The Members may join the AGM in the VC/OAVM mode thirty (30) minutes before the scheduled time of the commencement of the Meeting by following the procedure mentioned in this Notice.
8. As no shares were held in Physical Form, closure of the Register of Members and Share Transfer Books of the Company will not be applicable pursuant to section 91 of the Companies Act, 2013 and Regulation 42 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
9. Pursuant to the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended), Secretarial Standard on General Meetings (SS-2) issued by the Institute of Company Secretaries of India ("ICSI") and Regulation 44 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 09, 2020, the Company is providing remote e- Voting facility to its Members in respect of the business to be transacted at the AGM and facility for those Members participating in the AGM to cast vote through e-Voting system during the AGM.

10. The Company has availed the services of National Securities Depository (India) Limited (NSDL), as the authorized agency for conducting of the AGM through VC/OAVM and providing e- Voting facility.
11. The e-voting period commences on Wednesday, September 17, 2025 (9:00 A.M. IST) and ends on Friday, September 19, 2025 (5:00 P.M. IST). The e-voting module will be disabled by National Securities Depository (India) Limited (NSDL) thereafter. The voting rights of members shall be proportionate to their share of the paid-up equity share capital of the Company as on the cut-off date, i.e. Monday, September 15, 2025.
12. Members joining the meeting through VC/OAVM, who have not already cast their vote by means of remote e-Voting, shall be able to exercise their right to vote through e-Voting at the AGM. The Members who have cast their vote by remote e-Voting prior to the AGM may also attend the AGM but shall not be entitled to cast their vote again.
13. A person who is not a Member as on the cut-off date should treat this Notice of AGM for information purpose only.
14. A person, whose name is recorded in the Register of Members or in the Register of Beneficial Owners maintained by the depositories as on the cut-off date i.e. Monday, September 15, 2025 only shall be entitled to avail the facility of remote e-voting as well as e-voting at the AGM.
15. The Board of Directors have appointed M/s. Pitroda Nayan & Co, Practicing Company Secretaries (Membership No. ACS 58473, COP 23912), Ahmedabad as Scrutinizer for the e-Voting process. The Scrutinizer shall, after the conclusion of AGM, unblock the votes in the presence of at least two witnesses who are not in employment of the Company and shall within a period of 2 (Two) working days from the conclusion of the AGM, prepare a Consolidated Scrutinizer's Report of the votes cast in favour or against, if any, and submit it to the Chairman of the meeting.
16. The results of the e-Voting will be declared within 2 (Two) working days from the conclusion of the AGM. The results declared along with the Scrutinizer's Report shall be placed on the Company's website at www.innomet.net and on the website of National Securities Depository (India) Limited and shall be communicated to National Stock Exchange of India Limited (NSE).
17. SEBI has mandated Members holding shares in physical form to submit PAN, KYC and Nomination details in specified forms. The specified forms are available at the website of the RTA at www.skylinerta.com. Members may make service requests by submitting a duly filled and signed Form ISR-4, the format of which is available on the website of Company's RTA.
18. The Members holding shares in physical mode are requested to lodge/notify communication for change of address, transfer deeds, bank details, ECS details, wherever applicable, mandates (if any), with the RTA. Members holding shares in electronic form are requested to furnish details to their respective DP.
19. The register of directors and key managerial personnel (KMP) and their shareholding, maintained under Section 170 of the Act, and the register of contracts or arrangements in which the directors are interested, maintained under Section 189 of the Act, will be available electronically for inspection by the members during the AGM. All documents referred to the Notice will also be available for electronic inspection without any fee from the date of circulation of this Notice up to the date of AGM. Members seeking to inspect such documents can send an email to cs@innomet.net.

20. Procedure for Remote e-Voting:

Procedure for Login for e-Voting and Attending AGM through VC/OAVM for Individual Shareholders holding securities in Demat mode. In terms of SEBI circular dated December 09, 2020, on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in Demat mode are allowed to vote through their Demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their Demat accounts to access e-Voting facility.

THE INSTRUCTIONS FOR MEMBERS FOR REMOTE E-VOTING AND JOINING GENERAL MEETING ARE AS UNDER: -

1. The voting period begins on Wednesday, September 17, 2025 (9:00 A.M. IST) and ends on Friday, September 19, 2025 at 5:00 P.M. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of September 15, 2025 may cast their vote electronically. The e-voting module shall be disabled by National Securities Depository (India) Limited for voting thereafter.
2. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
3. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public noninstitutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholder.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

4. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e- Voting facility.

ABOUT US

M/s Padmasree Enterprises incorporated as a partnership firm in the year 1984, which was a family concern started as a General Engineering later on converted into a Private Limited Company in the name of M/s Innomet Advanced Materials Private Limited (Innomet) during 2019. The next generation took over and diversified into other businesses like manufacture of Diamond Tools and later on through backward integration, started manufacture of Metal Powders (Ferrous, Non-Ferrous and their Alloys). Further with R&D got into manufacture of Tungsten Heavy Alloys (THA). The Promoters have vast experience in General Engineering, Diamond Tools, Metal/Alloy Powders and Tungsten Heavy Alloys. Manufacture of “METAL POWDERS & TUNGSTEN HEAVY ALLOYS” comes under the gamut of “POWDER METALLURGY”. The Company has all the necessary infrastructure for the development and manufacture of Metal Powders and Tungsten Heavy Alloys. To update ourselves technologically, the Company associates with the senior most scientists in the world and with renowned Research Organisations in India for continuous development of various Powder Metallurgy (PM) products. The Company has also started/conducted in-house experiments to develop products required by the end users. Innomet has been found to be in conformity with the Quality Management System Standard: ISO 9001:2015 with a scope of manufacturing and supply of Ferrous & Non-Ferrous Metal/Alloy Powders and Tungsten Heavy Alloy components. Innomet has 2 divisions with brand names as under. 1. Innomet Powders. 2. Innotung. 1. Through Innomet Powders, we are global Suppliers of Metal and Alloy Powders through water, air and gas atomization processes. The Company has over 20 products including Copper, Bronze, Brass, Nickel, Tin and Stainless-Steel Powders for several industries and specialize in manufacturing customized grades of Metal/Alloy Powders containing Iron, Copper, Nickel, Tin, Zinc and Cobalt. Innomet is currently catering to Powder Metallurgy Components, Diamond Tools, Welding, Brazing, Catalyst, Surface Coatings, Aesthetics and many others. We are an ISO 9001:2015 certified Company with Domestic and International customers based out of US, UK, Germany, Netherlands, Japan, Italy, New Zealand, Lebanon, Brunei and many other countries. Import substitution is one of the key focus areas for us and we can proudly say that we have developed several import substitute products for our customers in India. Innotung, is the brand name for “The Tungsten Heavy Alloy series” manufactured through Powder Metallurgy process by our Company. Applications include Defence, Aerospace, Radiation Shielding, Sporting and Engineering. Innomet Powders are precisely engineered particulate materials that meet a wide range of performance requirements. Powder particles are specific in shape and size ranging from 0.1 to 1,000 micrometers. They are not merely ground-chips or scraps of metal. Major methods for making metal powders are atomization of molten metal, reduction of oxides, electrolysis and chemical reduction. Innomet has focused on specialty powders, which are import substitutes. The potential market for these is around USD 1 Billion globally. Indian market is around INR 4-5 billion, growing in double digits. Total PM Market is believed to be USD 4-5 B in value, and 700,000 tons in volume. With Innomet’s R&D driven mindset, and now with better resources, it can scale up into high end applications, opening larger markets and greater margins. Innomet Advanced Materials Limited have Certificates which includes IEC, ISO 9001:2015.

Our Promoter and Managing Director, Mr. Vinay Choudary Chilakapati, more than 15 years of experience in the Powder Metal industry. He completed his education in Mechanical Engineer. In the year 1984 he started Padmasree Enterprises a family-owned Partnership Firm and commence the operations in the field of General Engineering. In the year 1999, he started a proprietary firm named “Prasad innovations” to manufacture diamond tools for the dimensional stone processing industry. In the year 2005, he started research and development of metal powders with the help from senior scientists in the country. He keeps himself abreast with the latest happenings in the Powder Metal industry. In the year 2012, Padmasree Enterprises entered into serving the Indian Defence industry by manufacturing Tungsten Heavy Alloys. He regularly participates in the national conventions on Powder metallurgy and regularly in touch with 166 scientists and experts in the related fields across the world. In the year 2019 Padmasree Enterprises has been converted into ‘Innomet Advanced Materials Private Limited’. He oversees the day-to-day activities of our Company and preparing strategies of our company.

CHAIRMAN'S LETTER

DEAR SHAREHOLDERS,

The last financial year was quite a transformative one for your company in more ways than one. Apart from successfully listing on NSE SME Platform in September 18, 2024, we expanded our product offering and also identified a target to acquire. With all these initiatives, your company has reached a point of inflection in its growth path. While we have a long path ahead of us, the journey has gained significant momentum.

In this letter, I would like to focus on the achievements during the just concluded financial year and how they are helping us to position ourselves for both revenue growth and increased profitability.

In a year that saw both environmental and economic challenges, we remained steadfast in our commitment to sustainability, innovation, and inclusive growth. Our flagship solar parks have increased their generation capacity, and our focus on R&D has opened promising avenues for more efficient and affordable energy solutions.

We take immense pride in being part of the solution to the world's energy and climate crises. As governments and corporations alike set more ambitious decarbonization goals, Innomet Advanced Materials Limited stands ready to lead with purpose and agility.

Listing

We are delighted with the opportunity to serve and add value to a large community of shareholders. I take this opportunity to thank our shareholders who supported us in our endeavour to complete the listing process successfully. Now that our shareholders have reposed their faith in us, it is our duty and responsibility to consistently add value as we move forward. We are committed to the pursuit of such value addition by ensuring excellent corporate governance, effective strategy and flawless execution.

Adding Value

I take this opportunity to thank all the stakeholders including our shareholders, customers, employees and partners. Our endeavour is to add value to every one of them.

- **Industry Structure and Developments**

I.Global Economy

The Global Atomizing Metal Powder Market is experiencing significant growth, driven by increasing demand across industries such as automotive, aerospace, electronics, & additive manufacturing, and metallurgy. Atomizing metal powders produced through processes such as water atomization and gas atomization, offer high purity, controlled particle size, and excellent mechanical properties, making them ideal for powder metallurgy, coatings, and advanced manufacturing applications. The growing adoption of lightweight materials, high performance alloy, and energy efficient manufacturing techniques is further propelling market expansion. Additionally, advancements in 3D printing technology and the increasing use of sintered parts in industrial Applications are expected to boost demand for atomized metal powders worldwide.

Despite the strong growth potential, the market faces challenges related to raw material price volatility, supply chain disruptions, and stringent environmental regulations governing metal powder Production and emissions. Additionally, the high initial investment required for advanced atomization technologies can be a barrier for small and medium-sized manufacturers. However, increasing emphasis on sustainable manufacturing practices, the development of eco-friendly powder production methods, and the integration of digitalization in metal powder processing are expected to mitigate some of these Challenges. Leading player in the market are focusing on research and development (R&D), strategic partnerships, and geographic expansion to strengthen their market presence. The post Covid-19 recovery has been mixed, with sectors such as electronics, healthcare, and additive manufacturing rebounding rapidly {V-shaped recovery}, while automotive and construction industries have shown a more gradual revival (U-shaped recovery). However, some industries, such as aerospace and industrial machinery, continue to experience fluctuations {W-shaped recovery} due to ongoing geopolitical uncertainties and supply chain constraints. Companies investing in automation, smart manufacturing, and supply chain resilience are being positioned to navigate these challenges and capitalize on emerging opportunities.

Looking ahead, the Global Atomizing Metal Powder Market is poised for continued growth, supported by technological advancements, increasing applications in electric vehicles (EVs) and renewable energy sectors, and the rising demand for precision metal components. The market is also benefiting from government initiatives promoting localized manufacturing, sustainability, and circular economy practices in key regions such as North America, Europe, and Asia-Pacific. As industries continue to evolve toward more efficient and sustainable production processes, atomized metal powders will play a critical role in shaping the future of advanced manufacturing.

II.Industry Overview

The advanced materials industry, particularly the **powder metallurgy (PM)** segment, has experienced accelerated growth driven by global trends in energy efficiency, electrification, lightweight manufacturing, and sustainability. As a key player in this domain, Innomet Advanced Materials Limited operates at the intersection of innovation, precision engineering, and green manufacturing.

III.Company Overview

Innomet Advanced Materials Limited is a powder metallurgy company based in India, specializing in Metal Powders with a strong presence in manufacturing. Founded in 2019 and headquartered in Hyderabad, Telangana, the company has evolved into a vertically integrated player in the powder metallurgy sector.

Core Business Areas:

- a) **Metal Powders:** Innomet Advanced Materials Ltd are Global Suppliers of Metal and Alloy Powders through water, air and gas atomization processes.

- b) **Tungsten Heavy Alloy:** These products manufactured through Powder Metallurgy process. We supply the material in the form of bars, plates, cubes, spheres and components of various sizes and shapes also in the finished machined condition as per customer drawings.

- **Opportunities, Threats, Risks and Concern:**

- A. Opportunities:**

One of the biggest opportunities in the Global Atomizing Metal Powder Market is the growing adoption of additive manufacturing (AM) technologies. With the increasing use of 3D printing in industries Such as aerospace, medical implants, and automotive, the demand for high-quality, fine metal powders is rising significantly. This is trend presents are opportunity for manufactures to expand their product portfolios, develop specialized powders, and collaborate with AM technology providers to cater to this rapidly expanding market segment. Additionally, the development of advanced and customized metal powder formulations for specific AM applications further enhances market growth potential.

Another significant opportunity is the rise of sustainable and ecofriendly manufacturing practices. Tile increasing focus on recyclability}, material efficiency, end reduced carbon emissions is encouraging industries to shift toward metal powder-based manufacturing methods, which produce less materiel waste compared to traditional subtractive manufacturing techniques. This shift aligns with global sustainability goals and government regulations, presenting an opportunity for companies investing in green production technologies and sustainable atomisation processes to gain a competitive edge.

- B. Threats**

One of the primary threats to the Global Atomizing Metal Powder Market is tt1e volatility in raw material prices and supply chain disruptions. The market is {heavily reliant on the availability of metals s-ich as iron, copper, aluminium and nickel, which are subject to fluctuating global demand geopolitical tensions, and mining regulations. Any disruptions in the supply chain can lead to price surges, production delays & reduced profit margins, impacting both manufacturers and end-users. Additionally, dependence on imported raw materials in certain regions makes companies vulnerable to trade restrictions, tariffs, and fluctuating exchange rates, further increasing operational risks.

Another major threat is intense competition, and technological barriers. The market is dominated by established players with strong R&D capabilities and advanced production facilities, making it difficult for new entrants and smaller manufacturers to compete. Additionally, the high initial investment required for advanced atomization equipme11t and process automation acts as a barrier for new companies looking to enter the market. Emerging alternative materials and powder production methods, such as mechanical alloying and chemical reduction, also pose a potential threat, as they could offer cost-effective solutions that reduce reliance on traditional atomization processes.

- **Segment wise/Product wise Performance**

FY 2024–25 Product-Wise Highlights:

Product Segment	Performance Highlights
Metal Powders	Revenue generated amounted to ₹2,550.97 lakhs
Tungsten Heavy Alloys	Revenue generated amounted to ₹701.53 lakhs

- **Outlook:**

Environmental and Regulatory Compliance Challenges

The environmental impact of Metal Powder production is an increasing concern, as high energy consumption, emissions, and waste generation pose significant sustainability challenges. Many governments and regulatory Bodies Worldwide have imposed stringent environmental regulations on metal production industries, requiring manufacturers to adopt cleaner technologies,

minimize waste, and improve energy efficiency. Compliance with these regulations adds operational costs and necessitates investments in environmentally friendly production methods, waste recycling systems, and emission control technologies.

Moreover, handling and disposing of Metal Powder waste-especially for hazardous or reactive materials like aluminium and titanium-requires specialized procedures to prevent environmental contamination and workplace hazards. Companies operating in regions with strict environmental Policies, such as the EU and North America, may face higher compliance costs compared to those in developing markets where regulations are less stringent /Is sustainability Becomes a Major differentiating factor for industrial buyers, manufacturers must find ways to align with, global environmental standards witt1out compromising cost efficiency.

Supply Chain Disruptions and Raw Material Price Volatility

The Global Atomizing Metal Powder Market is highly dependent on the availability and pricing of raw materials, which are subject to fluctuations due to geopolitical tensions, trade Policies, and global supply chain disruptions. For example, the prices of key metals such as iron, copper, aluminium, and nickel are influenced by mining regulations, export restrictions, and fluctuating global demand. Any disruption in the supply of these raw materials can lead to production delays, cost surges, and reduced profitability for metal Powder manufacturers.

The COVID-19 pandemic and geopolitical conflicts have demonstrated the vulnerabilities of global supply chains, leading to shortages in raw materials and logistical challenges. Transportation delays, Import export restrictions, and workforce shortages continue to pose risks to the stability Of the atomizing metal powder market To mitigate these risks, manufacturers need to diversify their supply chains, invest in local sourcing strategies, and develop alternative materials to ensure uninterrupted production and cost stability.

• Risk and Concerns

Innomet Advanced Materials Limited faces several critical risks that could materially impact its operations and financial health. Ongoing litigations involving the Company, its Promoters, and Directors pose a potential threat; any adverse rulings may significantly affect our reputation, business continuity, and financial condition. Additionally, our operations depend heavily on securing various approvals, NOCs, licenses, registrations, and permits. Delays or failures in obtaining these regulatory clearances in a timely manner could disrupt our business activities and hinder expansion plans. Moreover, our manufacturing facilities require substantial and uninterrupted power supply to function efficiently. Any disruption in power availability or increase in energy costs could impair production and escalate operational expenses. Collectively, these factors represent substantial operational and regulatory challenges that may adversely affect our performance and long-term sustainability.

• Internal Control System and their adequacy:

Innomet Advanced Materials Limited has established a robust internal control framework designed to ensure the integrity of financial reporting, safeguard assets, and promote operational efficiency. The system is aligned with the requirements of the Companies Act, 2013 and is periodically reviewed by the Audit Committee and senior management.

The internal controls encompass all major business processes, including procurement, production, inventory management, project execution, and financial reporting. These controls are supported by clearly defined policies, standard operating procedures, and an ERP-based monitoring system that enhances transparency and accountability.

During F.Y. 2024–25, the company’s internal auditors conducted regular audits across departments, and no material weaknesses were reported. The statutory auditors, in their report dated March 31, 2025, have confirmed that the internal financial controls over financial reporting are adequate and operating effectively.

The Board believes that the current internal control system is commensurate with the size and nature of the company’s operations and provides reasonable assurance regarding the reliability of financial and operational information.

INDEPENDENT AUDITORS' REPORT

To
The Members of **M/s Innomet Advanced Materials Limited**

Report on the audit of the financial statements

Opinion

We have audited the accompanying standalone financial statements of **M/s Innomet Advanced Materials Limited** ("the Company"), which comprise the balance sheet as at March 31, 2025, and the Statement of Profit and Loss for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the **Companies Act, 2013** ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its Loss for the year ended on that date.

Basis for opinion

- 1. We drew the attention to the Point no vii of Note 32 of the statement which states that the Company has implemented an automated system for preparing and maintaining the fixed assets register in the financial year 2024-25, and noted that due to the incorrect estimate of life of assets and incorrect calculation, depreciation amounting to Rs. 27.47 Lakhs has been under charged.***

In order to correct the above discrepancy, the Company increased the accumulated depreciation amounting to Rs. 27.47 Lakhs through reserve and surplus account in the current financial year. Our conclusion is not modified in respect of this matter.

- 2. We drew the attention to the Point no viii of Note 32 of the statement which states that the Company has incorrectly valued the inventory amounting to Rs. 286.68 Lakhs as on March 31, 2024 by considering the cost including Goods and Services Tax instead of only cost. Also the Semi-finished and finished goods were incorrectly valued at market price instead of cost or market value, whichever is lower.***

The company has corrected this discrepancy in current financial year by adjusting value of change in inventory and reserve and surplus. Our conclusion is not modified in respect of this matter.

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the standalone financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter Paragraph

We have determined that there are no matters to be reported under emphasis of matter paragraph.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Reporting of key audit matters as per SA 701, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's responsibility for the financial statements

The Company's board of directors are responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other legal and regulatory requirements

1. The provisions of the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013 is applicable to the Company since it is a public company; we give in 'Annexure A', a statement on the matters, specified in paragraph 3 and 4 of the said Order.
2. As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. The balance sheet, the statement of profit and loss, dealt with by this report are in agreement with the books of account;
 - d. In our opinion, the aforesaid standalone financial statements comply with the accounting standards specified under section 133 of the Act, read with rule 7 of the **Companies (Accounts) Rules, 2014**;
 - e. On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the board of directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act;
 - f. With respect to the adequacy of internal financial controls and its operating effectiveness to ensure that its books of accounts and other financial records are accurate and reliable, and to prevent fraud and mismanagement, please refer to our separate report in "Annexure B"; and
 - g. With respect to the matter to be included in the Auditors' Report under section 197(16) of the Act, In our opinion and according to the information and explanations given to us,

remuneration paid by the Company to its directors during the current year is in accordance with the provisions of section 197 of the Act.

- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company
 - iv. The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - v. The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - vi. Based on our examination, which included test checks, the Company has used accounting softwares for maintaining its books of account for the financial year ended March 31, 2025 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the softwares. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

- vii. Based on audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) contain any material misstatement.
- viii. The company has not declared or paid any dividend during the year in contravention of the provisions of section 123 of the Companies Act, 2013

Annexure A to the Independent Auditor's Report

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' Section of our Report to members of M/s INNOMET ADVANCED MATERIALS LIMITED ('the Company') on the financial statements for the year ended 31 March 2025)

(i) In respect of Property, Plant and Equipment (PPE) and Intangible assets:

- a) The company has maintained proper records showing full particulars, including quantitative details and situation of PPE. The company has maintained proper records showing full particulars intangible assets.
- b) PPE were physically verified during the year by the Management in accordance with a regular program of verification which, in our opinion, provides for physical verification of all the PPE at reasonable intervals. According to the information and explanation given to us, no material discrepancies were noticed on such verification.
- c) According to the information and explanations given to us and the records examined by us, the company does hold immovable properties of land and buildings as at the balance sheet date. The title deeds pertaining to these immovable properties (except properties which are leased by the company with duly executed lease agreements in the company's favour) disclosed in the standalone financial statements are held in the name of the company.
- d) According to the information and explanation given to us and the records examined by us, the company has not revalued its Property plant and equipment (including Rights of Use assets) or intangible assets or both during the year. Accordingly, reporting under clause (i)(d) of the Order is not applicable.
- e) According to the information and explanation given to us and the records examined by us, no proceeding have been initiated or are pending against the company for holding any benami property under the Benami Transactions (prohibition) Act, 1988 and the rules made thereunder. Accordingly, reporting under clause (i)(e) of the Order is not applicable.

(ii) In respect of Inventory:

- a) The inventory has been physically verified by the management during the year. - (xix) According to the information and explanations given to us and on the basis of financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, our knowledge of the Board of directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company.
- We further state that our reporting based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.
- (xx) In our opinion and according to the information and explanations given to us, second proviso to sub-section (5) of section 135 of the Companies Act, 2013 with respect to Corporate Social Responsibility is not applicable on the company. Accordingly reporting under clause (xx) of paragraph 3 of the Order is not applicable.

- (xxi) This clause is applicable for reporting for Consolidated standalone financial statements and this report pertains to standalone financial statement, accordingly reporting under clause (xxi) of paragraph 3 of the Order is not applicable.

Annexure B to the Independent Auditor's Report

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' Section of our Report to members of M/s INNOMET ADVANCED MATERIALS LIMITED (the Company') on the financial statements for the year ended 31 March 2025)

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of the Company as of 31 March 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls.

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company.
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with Generally Accepted Accounting Principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become

inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us , the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

INNOMET ADVANCED MATERIALS LIMITED**Standalone Notes to financial statements for the year ended March 31, 2025****CIN : L27101TG2019PLC132262****All amounts in Indian Rupees Lakhs - unless otherwise stated****1 Corporate information**

The Company is a public limited company incorporated and domiciled in India. The address of its corporate office is B-31, Bhel Ancillary Industrial Estate Ramachandrapuram, Medak, Hyderabad, Telangana, India, 502032. The Company is engaged in business of manufacturing and selling "**Metal Powders & Tungsten Heavy Alloys**". The accompanying financial statements reflect the results of the activities undertaken by the company during the period 1st April, 2024 to 31st March, 2025.

2 Significant accounting policies**(a) Basis of preparation**

The financial statements have been prepared to comply in all material respects with the notified accounting standards by Companies Accounting Standards Rules, 2006 as amended from time to time and the relevant provisions of the Companies Act, 2013 ('The Act'). The financial statements have been prepared in accordance with revised Schedule III requirements including previous year comparatives. The financial statements have been prepared under historical cost convention on an accrual basis in accordance with accounting principles generally accepted in India. The accounting policies have been consistently applied by the company and are consistent with those used in previous year.

The preparation of financial statements is in conformity with general accepted accounting principles which require the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to the contingent liabilities as at the date of the financial statements and reported amounts of income and expenses during the year. Actual results could differ from those estimates.

(b) Functional and presentation currency

Items included in the financial statements of Company are measured using the currency of the primary economic environment in which the Company operates ("the functional currency"). Indian rupee is the functional currency of the Company.

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Foreign currency denominated monetary assets and liabilities are re-measured into the functional currency at the exchange rate prevailing on the balance sheet date.

Exchange differences are recognized in the Statement of Profit and Loss.

(c) Property, plant and equipment

Property, Plant and Equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any and capital work in progress is stated at cost. The cost comprises purchase price, borrowing costs if capitalization criteria are met, directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price. Such cost includes the cost of replacing part of the plant and equipment. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives.

Subsequent expenditure related to an item of property, plant and equipment is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing property, plant and equipment, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the Statement of Profit & Loss for the period in which such expenses are incurred.

Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied.

Leasehold improvement represent expenses incurred towards civil works, interior furnishings, etc. of the leasehold premises.

Cost of assets not ready for intended use, as on the balance sheet date, is shown as capital work in progress.

Items of stores and spares that meet the definition of property, plant and equipment are capitalized at cost and depreciated over their useful life. Otherwise, such items are charged to the Statement of Profit and Loss.

The company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset.

Gains or losses arising from derecognition of property plant and equipments are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

(d) Depreciation on property plant and equipment

The Depreciation has been provided on the basis of useful life as prescribed in Schedule II of Companies Act, 2013.

Residual value of assets is considered at 5% of the original cost of the assets.

INNOMET ADVANCED MATERIALS LIMITED**Standalone Notes to financial statements for the year ended March 31, 2025****CIN : L27101TG2019PLC132262****All amounts in Indian Rupees Lakhs - unless otherwise stated****(e) Impairment of property, plant and equipment**

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

The Company bases its impairment calculation on detailed budgets and forecast calculations which are prepared separately for each of the Company's cash-generating units to which the individual assets are allocated. These budgets and forecast calculations are generally covering a period of five years. For longer periods, a long term growth rate is calculated and applied to project future cash flows after the fifth year.

Impairment losses of continuing operations, including impairment on inventories, are recognized in the statement of profit and loss.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

An assessment is made at each reporting date as to whether there is any indication that previously recognized impairment losses may no longer exist or may have decreased. If such indication exists, the company estimates the asset's or cash-generating unit's recoverable amount. A previously recognized impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognized. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the statement of profit and loss unless the asset is carried at a revalued amount, in which case the reversal is treated as a revaluation increase.

(f) Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

(g) Borrowing costs

Borrowing costs includes interest and amortization of ancillary costs incurred in connection with the arrangement of borrowings.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period in which they are incurred.

(h) Revenue recognition

Revenue is recognized to the extent it can be reliably measured and is probable that the economic benefits will flow to the company.

(This space has been intentionally left blank)

INNOMET ADVANCED MATERIALS LIMITED**Standalone Notes to financial statements for the year ended March 31, 2025****CIN : L27101TG2019PLC132262****All amounts in Indian Rupees Lakhs - unless otherwise stated****(i) Employee benefits***Short term employee benefits:*

Employee benefits such as salaries, wages, short term compensated absences, expected cost of bonus, ex-gratia and performance-linked rewards falling due wholly within twelve months of rendering the service are classified as short term employee benefits and are expensed in the period in which the employee renders the related service.

(j) TaxesCurrent income tax

- Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The Company determines the tax as per the provisions of Income Tax Act 1961 and other rules specified thereunder.

Deferred tax

- Deferred tax is provided in full using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

- Deferred tax liabilities are recognized for all taxable temporary differences, except:

(i) When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

(ii) Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized, except when the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

(iii) The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

(iv) Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

(v) Deferred tax relating to items recognized outside profit or loss is recognized through profit or loss.

(vi) Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

(k) Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

(l) Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The contingent liability is not recognized in books of account but its existence is disclosed in financial statements.

(m) Earnings per share

Basic earnings per equity share is computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events such as fresh issue, bonus issue that have changed the number of equity shares outstanding, without a corresponding change in resources.

Retained earnings

Retained earnings are the profits that the Company has earned till date less any transfers to General Reserve, dividends or other distributions to shareholders.

During the year, the Company has issued and allotted 34,23,600 fully paid up equity shares through the initial public offer at an issue price of ₹100.00 per shares (Including Premium).

Explanation on Adjustment for Previous Year

1. Company has implemented an automated system for preparing and maintaining the fixed assets register in the financial year 2024-25, and noted that due to the incorrect estimate of life of assets and incorrect calculation, depreciation amounting to Rs. 27.47 Lakhs has been under charged.

In order to correct the above discrepancy, the Company increased the accumulated depreciation amounting to Rs. 27.47 Lakhs through reserve and surplus account in the current financial year.

2. Company has incorrectly valued the inventory amounting to Rs. 286.69 Lakhs as on March 31, 2024 by considering the cost including Goods and Services Tax instead of only cost. Also the Semi-finished and finished goods were incorrectly valued at market price instead of cost or market value, whichever is lower.

The company has corrected this discrepancy in current financial year by adjusting value of change in inventory and reserve and surplus.
